## School of Parapsychology and Spiritual Esoteric Studies Master of Indigenous Religious Studies **Standards for Graduation**

Graduation from the Parapsychology and Spiritual Esoteric Education Program is granted when you provide evidence of being prepared to practice the metaphysical teaching profession. This evidence is more than spending a certain length of time in training and completing designated courses. Evidence of being prepared to teach metaphysics emphasizes spiritual, mental, and emotional maturity; devotion to a life-style of service to others; metaphysical, spiritual and intellectual clarity about the purpose and meaning of the metaphysical teaching profession; and the demonstrated skills to work effectively with people, organize one's own life, and understand administrative responsibilities appropriate to your chosen field of service. Specific requirements are:

1. The satisfactory completion of the CIAMSS Bachelor of Parapsychology and Spiritual Esoteric Studies or Certified equivalent
2. The Satisfactory completion a minimum of 33.5 credits of work over a minimum period of two calendar years.
3. The Satisfactory completion of a professionally bound thesis of at least 25,000 words or an additional 6 credit hours of course work.
4. Any additional requirements that the faculty may assess as a result of reviews of conferences.
5. All work counted toward the hours required for graduation must be completed with the grade of E (excellent) or S (satisfactory).
6. Evidence of such metaphysical, spiritual, mental, and emotional maturity as will support the judgment, by the faculty, of your readiness and fitness as a metaphysical teacher.
7. Recommendation of the faculty.

Graduation from the CIAMSS Parapsychology/SpiritualEsoteric Education Program does not mean automatic certification as a metaphysical practitioner, teacher, or administrator. A student who successfully completes the prescribed two-year course of study shall receive a degree entitled Master of Indigenous Studies.
